EXPERIENCE

Columbus Public Health – Columbus, Ohio
Position: Health Commissioner

2017-Present

Duties: Chief executive officer for the health department of the 14th largest U.S. city with a team of over 500 public health professionals and overseeing a budget of approximately \$50 million. Lead efforts to address critical issues in infant mortality, the opioid epidemic, gun violence, and the impact of social determinants of health to decrease health disparities. Successfully led our community throughout the COVID-19 pandemic by leading the public health response and providing professional assistance to businesses and local government.

Position: Medical Director and Assistant Health Commissioner

2006-2017

Duties: Chief medical officer and spokesperson for the health department. Provided medical supervision and policy for all clinical programs, the Division of Population Health and the City of Columbus' Employee Assistance Program (EAP).

Centers For Disease Control and Prevention – Columbus, Ohio

2004-2006

Position: Epidemic Intelligence Service (EIS) Officer detailed to Ohio Department of Health

Duties: Investigated outbreaks within the state of Ohio and conducted epidemiologic investigations. Evaluated surveillance program for influenza, analyzed data from Ohio's raccoon rabies program and from Ohio's Family Health Survey, as well as provided communication between CDC and Ohio Department of Health.

Baltimore City Health Department – Baltimore, Maryland

2001-2004

Position: Medical Director of Eastern STD Clinic

Duties: Oversaw the clinical functions of the clinic which included direct supervision of 6-8 mid-level providers and providing clinical services to clients. Responsible for continuing medical education for all STD clinic staff with weekly grand rounds. Instituted a hepatitis screening initiative within the STD program and was responsible for the new hepatitis vaccine program. Served as an instructor for the Prevention Training Center Region III.

Johns Hopkins School of Medicine – Baltimore, Maryland
Position: Clinical Instructor

2001-2004

Duties: Provided clinical care to patients during episodic/acute care visits at the Moore Clinic one half day a week.
