Pam

Please create an RP for this purchase and send through the approval process.

Fleet Approval to Purchase and Fleet Approval of the Specs are attached.

Thanks

P.S. Let Jim know the RP # for tracking purposes.

James,

Having Fleet's approval, I would ask that we move forward with the RP.

Thanks,
Jim

- 1) This is an pre-approved addition with no unit being turned in for disposal.
- 2) This equipment will be used by our Watershed location for material hauling and leak salting purposes.
- 3) This unit incorporates 'Clean Burn' technology to comply with the City Green Initiatives.
- 4) A similar unit was purchased 2013 for \$184,849 – SA004902
- 5) Funds for this purchase are budgeted under 603001, MO6652

John,

I know next week we are going to be discussing a Standardized Dump Truck spec, but in the meantime, I would ask for your approval to move forward with this purchase.

Thanks,
Jim
