

June 23, 2016

TO: Sherry Kish, Interim Director, Department of Technology

From: Bill Rogers, Network Infrastructure Manager

SUBJECT: Award of 682016 Spring 2016 Fiber Optic Construction

The Department of Technology (DoT), through utilization of an Invitation to Bid process, received 1 bid in response to Bid Express 682016 for Spring 2016 Fiber Optic Construction project for the City's fiber optic infrastructure. The Department of Technology, Network Infrastructure has reviewed the proposal received, and is recommending that award be made to Gudenkauf Corporation.

Gudenkauf Corporations bid was the lowest, responsive bidder. Gudenkauf Corporation has a customer base that includes the City of Columbus, TW Telecom, Licking County and Delaware County. The Department of Technology is confident that Gudenkauf Corporation can effectively provide the City with needed fiber construction services.

If you have any questions please contact Bill Rogers, at 645-0776.

CC: Gwendolyn Akrobettoe, Assistant Director, Department of Technology

Ivan King, Interim Deputy Director, Department of Technology
