

400 Connell Drive, Suite 7100
Berkeley Heights, New Jersey 07922

May 1, 2006

This is to confirm that the Uni-Gold™ Recombigen® HIV product (Trinity Product Number 1206506) and related control material (Trinity Product Number 1206530), is manufactured exclusively by Trinity Biotech, Inc. Further, this product is only available to Public Health facilities directly from Trinity Biotech, Inc.

Sincerely,

A handwritten signature in black ink, appearing to read "Joe Randolph", with a long horizontal line extending to the right.
