Re: Nexplanon® (etonogestrel implant)

Dear Customer,

Nexplanon® (etonogestrel implant) is marketed and distributed in the United States by Merck Sharp & Dohme Corp., a subsidiary of Merck and Co., Inc. Nexplanon is manufactured by N.V. Organon, also a subsidiary of Merck and Co., Inc.

There are only two authorized distributors for Nexplanon in the United States: CuraScript, Inc. and TheraCom, L.L.C./CVS Caremark, L.L.C. The price of Nexplanon is consistent across these two authorized distributors.

Sincerely,

A handwritten signature in black ink that reads 'Brent A. Klinger'.
