RE: Technology International, Inc – Exempt from Registration (Ohio)

Mr. Young,

Technology International, Inc. (TII) is defined as a Foreign Corporation under ORC 1703.01(B). As a Florida Corporation, TII has no presence, offices, employees, or company vehicles in the State of Ohio. Thus, TII maintains no nexus with the State of Ohio. All sales are made solely by way of interstate commerce. All deliveries are completed by third party common carrier from the manufacturer's plant directly to the required delivery location.

Under ORC 1703.02 'Corporations Excepted' it states sections 1703.01 to 1703.31 of the Revised Code does not apply to corporations engaged in this state solely in interstate commerce.

Therefore, we are not required to register with the Ohio Secretary of State nor maintain an address within the State of Ohio as we are an out of state supplier engaged solely in interstate commerce.
