Greetings,

As a resident of Livingston Avenue with intent to promote the continuous improvement of my neighborhood, I offer my application for the vacant position on the Livingston Avenue Area Commission. In addition to the personal investment I have made in this community, I also have extensive background in relevant fields that will prove useful in serving my neighborhood in this capacity. The area covered by LAVA-C has great accessibility and infrastructure and is uniquely positioned for great things. Despite the many groups and individuals making full and earnest efforts, our neighborhood is still full of untapped potential. This is a great problem to have and I look forward to the opportunity to help drive Livingston Avenue in the direction of its fullest potential.

Sincerely,

A handwritten signature in black ink that reads "Brian S. Scarpino". The signature is written in a cursive style with a long horizontal line extending to the right.
