Site Information

- The site is located on the west side of Sancus Boulevard, beginning at the intersection of Lakeview Plaza Boulevard and extending northward 826 feet +/-, and consists entirely of right of way. It is bordered on the west by territory in the City of Worthington.

Key Issues

- Transferring this area to Columbus will unify the Sancus Boulevard right of way in this area under one jurisdiction, thereby creating clear boundaries for maintenance and enforcement. The transfer is supported by city departments.
- This legislation is being filed in response to the provisions of the Ohio Revised Code - section 709.37 regarding municipal boundary adjustments. The process requires that both communities pass legislation approving the transfer, which will then be submitted for finalization by the Franklin County Commissioners.
- Worthington City Council passed Ordinance 32-2020 addressing this transfer.
