Re: Italian Village Commission

Dear Kevin,

It is my pleasure to express interest in renewing my term as an Italian Village Commissioner. I have witnessed the exciting culture and physical transformation of Italian Village. I am interested in helping to maintain the historic character and vibrancy of Italian Village for future generations.

I believe that I will continue to be an asset to the Commission. I have attached a resume to provide you further professional information about myself.

I look forward to hearing from you.

Yours very truly,
