TO BE COMPLETED BY AGENCY:

Describe how use of this contract provides the most cost effective method to purchase goods and /or services.

(For new requests, attach three (3) or more quotations received from contract vendors, if the contract was not bid.)

The Department of Technology is requesting the continued use of this contract to keep our existing systems in place and continue support for the ability to perform in depth analysis and support of critical systems. The Department of Technology requires the ability to use SolarWinds software products for network device availability, bandwidth utilization, software upgrades and traffic analysis. DoT has reached out to all three resellers listed on the STS. CDW Government LLC provided the lowest and best bid.

Note if this purchase is the continuation of an existing project.

(Please attach three (3) or more quotations originally received. If three quotes were not solicited for the original purchase, three are required now.)

Brown Enterprise Solutions - \$142,036.46
LLC - \$120,440.75

CDW Government
IntelliTech Systems Inc.- \$122,476.27

If three quotes were not received, attach any documentation supporting using the STS as the most cost effective method. This includes price research, efficiencies realized, or any other evidence of cost effectiveness. Requests over \$50,000 will require a bid waiver from City Council.
