Alex Fischer

Former President and CEO, The Columbus Partnership
Columbus, Ohio, United States

Summary

The Columbus Partnership is a community-oriented thought leadership group that provides long-term vision for achieving greater economic prosperity in our region. By leveraging the region's top corporate and institutional leaders, the Partnership advances the competitiveness agenda by sustaining high performing economic development activities, engaging in public policy to move our region forward, staying the course on education improvement, and cultivating a culture of strong collaborative leadership across the community.
