FEM 1402.6 Crane and Hoist Maintenance Services for DPU Facilities

**A description of work performed to date as part of the contract and a full description of work to be performed during any future phasing of the contract.**

The work to be performed under this contract consists of annual inspections, repair, maintenance services, modification, and/or replacement of various Water plants, Compost Facility, Sewage Maintenance Operations Center, WWTP, various DOP facilities, substations or other DPU facility components and associated equipment such as: Cranes, Hoists, motors, electrical distribution systems, electronics, slings, etc. The work to be performed is minor or small in relation to the total system or plant process. Examples of previous work performed are : Annual inspections, replacement of key ware components associated with cranes and hoists, and load testing. Current facilities to be serviced are Division of Water Reclamation (DWR) and Division of Water (DOW) facilities.

**An updated contract timeline to contract completion.**

Previous Contract:	Year 1 – June 23, 2025 to June 23, 2026
This Renewal:	Year 2 – June 23, 2026 to June 23, 2027
Planned Future Renewal:	Year 3 – June 23, 2027 to June 23, 2028

**A description of any and all renewals/ modifications to date including the amounts of each modification and the Contract Number associated with any modification to date. (List each modification separately)**

2026: Modification #1 - \$210,000.00 = \$125,000.00 – DOSD (PENDING),  
\$85,000.00 – DOW (PENDING)

**A full description of the work to be performed as part of the proposed contract modification. (Indicating the work to be a logical extension of the contract is not sufficient explanation)**

The contract will continue to provide Crane and Hoist Maintenance Services for the Columbus Water & Power facilities. Anticipated DOWR work for this modification includes typical repair items for an aging equipment, annual inspections, and preventative maintenance repairs from those inspections.

DOW anticipated work includes annual inspections, load testing, preventative maintenance repairs, as well as emergency repairs.

**If the contract modification was not anticipated and explained in the original contract legislation a full explanation as to the reasons the work could not have been anticipated is required. (Changed or field conditions is not sufficient explanation. Describe in full the changed conditions that require modification of the contract scope and amount.)**

Anticipated renewal. The original contract allows for two (2) extension periods on a year to year basis. This renewal is to provide the funding necessary for the payment of services to be provided through June 2027.

**An explanation of why the work to be performed as part of the contract modification cannot be bid out. (Indicating the work to be a logical extension of the contract is not sufficient explanation)**

The same exact service is required as originally bid. No lower pricing/more attractive terms and conditions are anticipated at this time.

**A cost summary to include the original contract amount, the cost of each modification to date (List each modification separately), the cost of the modification being requested in the legislation, the estimated cost of any future known modifications and a total estimate of the contract cost.**

This contract will be funded incrementally with renewals on approximately an annual basis. Two contract renewals were anticipated at this time for Division of Sewerage and Drainage (DOSD) and Division of Water (DOW). If other DPU Facilities are added, and/or if other unforeseen issues or difficulties are encountered, that would require additional funding, an additional modification would be requested. The expected cost for this project is as follows:

Original Contract —	DWR(PO514526)=\$116,400.00	DOW(PO513073) \$75,110.00
Modification #1 (This one)	DWR=\$125,000.00	DOW=\$85,000.00
Modification #2 (Future):	DWR=\$125,000.00	DOW=\$85,000.00

Total Estimated Cost:	DWR=\$366,400.00	DOW=\$245,110.00
-----------------------	------------------	------------------

**Total CWP Estimated Cost - \$611,510.00**

Note: The Contract should be considered to include any and all work that is anticipated to be awarded to the company awarded the original contract throughout the contract/project timeline. This includes the original contract and any and all future anticipated modifications to the contract to complete the contract/project.
