McNees Wallace & Nurick LLC  
100 Pine Street, Harrisburg, PA 17101  
Contract #001743

**A description of work performed to date as part of the contract and a full description of work to be performed during any future phasing of the contract.**

This contract is for the purpose of providing Energy Consultant Legal Services for supply-side electric energy procurement, management, and advisory services in matters relating to the City's purchase of electric power, for the Department of Public Utilities, Division of Power. This firm will work closely with the City Attorney's Office and the Division of Power to assist the City in identifying energy related issues, identifying the most competitive solutions, and securing the best prices, and terms and conditions available for electricity contract(s) with qualified suppliers.

**An updated contract timeline to contract completion.**

Year 2 – January 2021 – January 2022  
Year 3 – January 2022 – January 2023  
Year 4 – January 2023 – January 2024  
Year 5 – January 2024 – January 2025  
Year 6 – January 2025 – January 2026

**A description of any and all modifications to date including the amounts of each modification and the Contract Number associated with any modification to date. (List each modification separately)**

Renewal #1 – \$100,000 (Pending)

**A full description of the work to be performed as part of the proposed contract modification. (Indicating the work to be a logical extension of the contract is not sufficient explanation)**

This renewal is for the purpose of providing Energy Consultant Legal Services for supply-side electric energy procurement, management, and advisory services in matters relating to the City’s purchase of electric power, for the Department of Public Utilities, Division of Power. This firm will work closely with the City Attorney’s Office and the Division of Power to assist the City in identifying energy related issues, identifying the most competitive solutions, and securing the best prices, and terms and conditions available for electricity contract(s) with qualified suppliers.

**If the contract modification was not anticipated and explained in the original contract legislation a full explanation as to the reasons the work could not have been anticipated is required. (Changed or field conditions is not sufficient explanation. Describe in full the changed conditions that require modification of the contract scope and amount.)**

This renewal to extend the contract was anticipated, this renewal is for funding of the second year of this contract as provided for in the original contract terms.

**An explanation of why the work to be performed as part of the contract modification cannot be bid out. (Indicating the work to be a logical extension of the contract is not sufficient explanation)**

This contract renewal would consist of the same type of work described above and is an ongoing process to secure the best prices and terms on electricity contracts with qualified suppliers.

**A cost summary to include the original contract amount, the cost of each modification to date (List each modification separately), the cost of the modification being requested in the legislation, the estimated cost of any future known modifications and a total estimate of the contract cost.**
