**TO BE COMPLETED BY AGENCY:**

Describe how use of this contract provides the most cost effective method to purchase goods and /or services.  
(For new requests, attach three (3) or more quotations received from contract vendors, if the contract was not bid.)

Agile Network Builders LLC is the provider for the first of multiple required network connections to the State of Ohio MARCS system. Agile provides these services to MARCS on state term contract which benefits the City by being on the same network, thus providing system redundancy, interoperability with MARCS and Franklin County equipment, as well as monitored network management. The original contract covered the first 5 years of maintenance. The Department of Public Safety is requesting to extend the maintenance annually per the State Term Contract pricing. There is only 1 quote. Bid Waiver is being used on Ord 2208-2024 for funding approval of a Purchase Order for \$141,360.00

Note if this purchase is the continuation of an existing project.  
(Please attach three (3) or more quotations originally received. If three quotes were not solicited for the original purchase, three are required now.)

If three quotes were not received, attach any documentation supporting using the STS as the most cost effective method. This includes price research, efficiencies realized, or any other evidence of cost effectiveness. Requests over \$50,000 will require a bid waiver from City Council.
