Special Notes:

I would welcome phone calls or letters to better inform you on any or all of the above. (614) 692-3929, fax 692-3967, email [usojake@cs.com](mailto:usojake@cs.com) or 165 N. Yearling Rd. Whitehall, Ohio 43213-0268 or Box 13268, Whitehall, Ohio 43213-0268.

I am hearing impaired & would really appreciate knowing what you say at council meetings. Please turn on mikes & several positions do not have mikes. Some shy away from speaking into the mike. I would suggest that the public sit at the table & use the table mikes or have a hand held mike for the audience when speaking to the council. Maybe the council needs a new p.a. system.

Thanks for your attention:
