The undersigned do hereby respectfully petition Columbus City Council to approve a Levy and Plan for Services (the "Plan"), pursuant to Section 1710 of the Ohio Revised Code. The Discovery Special Improvement District of Columbus, Inc. (the "SID") adopted a Plan, attached as Exhibit "A", on October 16, 2014. Services under the Plan will be provided by the SID.

Each of the undersigned is the owner, or the authorized signatory of the owner, of the property or properties set forth below, which comprise 60% or more of the front footage of property abutting upon the streets, alleys, public roads, places, boulevards, parkways, park entrances, easements and other public improvements or 75% or more of the square footage of real property situated in the SID.

The Plan will be executed within the area described in Exhibit "B" and shown on the map in Exhibit "C".

The undersigned acknowledge that approval of this petition will permit the following:

- (1) The levy of an annual assessment of \$630,000 on properties within the SID boundaries established in 2010, beginning July 1, 2015, and running five years through June 30, 2020;
- (2) Total annual assessments that are proportionately greater or smaller than \$630,000 if the reauthorized SID includes parcels other than those within the SID boundaries established in 2010;
- (3) Management and administration by Discovery Special Improvement District of Columbus, Inc., an Ohio non-profit corporation formed for such purpose;
- (4) The exercise of discretion by trustees of the SID on how to allocate funds among the services set forth in the Plan.

The undersigned further acknowledge the following:

- (1) That absent changes in boundaries established in 2014, the cost of the Plan will be \$830,000 per year, including contributions of \$200,000 from exempt, government property owners, including Columbus State Community College, Columbus Metropolitan Library, Columbus Board of Education, ADAMH Board, School Employees Retirement System, Ohio Public Employees Retirement System, State Teachers Retirement System, and Franklin County Commissioners.
- (2) That the board of trustees for the SID will have the option of terminating the SID Plan for Services if exempt government property owners do not make an annual contribution.
