

Franklin Soil and Water Conservation District

Creating Conservation Solutions for Over 70 Years

Attachment E

2018 Outreach to Developers, Contractors and Stormwater Professionals.

Scope of Services

Franklin SWCD will provide the following services for the City of Columbus Department of Public Utilities:

Reach out to developers, contractors and stormwater professionals in City of Columbus with education on stormwater management on developing lands, construction sites as well as long-term management of post construction.

This will include:

- seek feedback from City of Columbus on education topics, needs,
- provide up to 12 free registrations for City staff for 2018 for events where we manage the registration. This includes any OSWA or FSWCD education event for which Franklin SWCD manages registration including the Central Ohio Stormwater Expo.
- provide credit to City of Columbus for support of developer outreach education efforts in Urban Review Newsletters and Stormwater Expo.

Funding

The City of Columbus shall compensate the SWCD in the amount of \$2,000
