

**SERVICE STATEMENT**  
**AN03-036**  
**2.904 acres in Franklin Township**  
**Community Housing Network, Inc.**

**Public Safety:** The City of Columbus, Department of Public Safety will be able to provide the appropriate level of safety related services to the proposed annexation area. Such services will include police and fire protection as well as emergency medical service to the subject property.

While the petitioner for annexation may have proposed future development plans for the property in question, the Department of Public Safety requests that the City exercise its discretion in the coming development planning and review process to ensure any future development will be properly served by the Department of Public Safety. Discussions between the City and the present property owner or any future developers regarding post annexation changes in zoning or other changes to the property should include the Department of Public Safety and the Department of Development to ensure any proposed development of the annexation property may be adequately accommodated. Specific details for safety services are dependent upon the parameters of future development that is ultimately approved by the City.

At the present time fire protection for the proposed annexation is as follows:

**First response** from: Station 12, 3200 Sullivant Avenue, 10 Personnel/ 3 Paramedics.

Apparatus responding: Paramedic/Engine, Ladder, and Medic  
Time: 5.0 minutes

**Second response** from: Station 10, 1096 West Broad Street, 10 Personnel/ 3 Paramedics.

Apparatus responding: Paramedic/Engine, Ladder, and Medic.  
Time: 7.0 minutes.

**Sanitation:** Residential refuse collection services will be available upon annexation of the property.

**Streets:** Maintenance will be available for any additional right-of-way that may be included in this annexation request.

**Water:** This site will be served by an existing 10 inch main located in Harrisburg Pike.

**Sewer:**

Sanitary Sewer:

This site can be served by an existing sewer located about 220 feet north of the property. Mainline extension is required at the expense of the developer.

Storm Sewer:

All storm sewers necessary for development/redevelopment of the area shall be designed in accordance with design policy and zoning codes in effect at the time of development.

All sanitary and storm sewers required shall be constructed privately by the owners/developers at their own cost and expense with no cost to the city.
