Dear Mr. Nance:

The Equal Business Opportunity Commission Office (EBOCO) has approved your request to obtain a contract compliance number. Your contract compliance number is **311131599** and is active for two years, **February 1, 2017 through February 1, 2019**. You also have been assigned a “new” vendor account number in which you can also use. **(V#004731)** Prior to the expiration of your contract compliance number, a new application must be completed on the City’s vendor portal.

Failure to complete the application will adversely impact your company’s ability to submit bids on city projects and/or delay payment on existing contracts. This contract compliance number must be used each time your company participates in the City’s bidding process. In the event of changes in pertinent information, (company name, ownership and/or legal structure, address) you are required to update your contract compliance application/profile. All updates can be made on the vendor services website.

Thank you for your interest in doing business with the City of Columbus. If we can be of any further assistance please call us at (614) 645-4764.
