11/2/07

Dear Sir,

I am writing to see if you are interested in a donation of fitness equipment for use at any of your facilities. We have recently replaced some of our equipment with new Hilton spec equipment. Someone here suggested that we donate it to local fireman if they can use it so I offered to make the contacts.

Equipment available at this time:

- 3 StarTrac 1800 Treadmills
- 1 Weight Machine
- 1 Sports Art 8300 Commercial Elyptical Machine
- 1 StarTrac Pro Bike
- 1 StairMaster Free Climber 4400PT

I can tell you the equipment is approximately 6 years old and it has been well maintained under service contracts. The treadmills all had new belts this year. The equipment is very nice still we just upgraded to the new ones. I can only guess to estimate the value at approximately \$300. + each.

If you are not interested please let me know, if we are unable to find anyone to donate to we may have to just dispose of them.

If you are interested and have any place you can use the equipment we would be happy to donate it. If so, please contact me at your convenience.

Thank you,

Toni Phillips
