Area Commissioner Profile

Statement from Commissioner

As a Glen Echo resident in District 1, community cohesiveness and neighborhood pride are at the core of our neighborhood character. My goal is to continue to strengthen that foundation by ensuring my neighbors' issues and concerns are addressed at every turn.

Seeing that economic growth is adding great new opportunities within our neighborhood fabric, I am dedicated to smart growth that concentrates on making our district safe, pedestrian-friendly and one that enhances our natural and cultural resources while preserving the historic character of the District. Physical conditions of District 1 must reflect pride of ownership and community and my background in Landscape Architecture has provided me several years of experience with both the city of Columbus new development projects and site improvement projects; this skillset fuels my dedication and involvement to our neighborhood growth.

A health neighborhood is one that is safe, sustainable and creative. I look forward to keeping District 1 moving in the right direction.
