Hey John,

Infrastructure is requesting to purchase two single axle dump trucks as one-for-one trade-ins.

Do we have Fleets approval?

Best regards,

Josh Davis

Subject: FW: [EXTERNAL] RE: Quote - S/A Dump Truck w/Snow Equipment

Josh,

Street Maintenance would like to go ahead and purchase two (2) Single Axle Dump Trucks off the UTC. I have attached the quote from Peterbilt. May look at purchasing a few more later this year depending on how our funding looks.

These unit will be one-for-one. When we receive the units I'll know exactly which BT's we will be turning in.

Brent,
See attached. The joystick control is included in base package so I did not include as an option. Let me know if you have questions.

Thank you.

John,

Could we get a quote on a 365 Peterbilt S/A Dump Truck with Snow Removal Equipment from Concord Road Equipment. Please include all five (5) options available with Concord;

- Tailgate mounted patch gates
- Full length lower sloped rubrail mounted grip strut style walk rails
- Dual spinners assemblies, one each street/curb side
- Joystick controls
- Road watch ambient air and road surface temp unit

Thanks.

Brent,
Do you want to schedule a time to discuss plows?

Just checking back.

Thanks.

John,

Thanks for the info. Just make sure to communicate with Purchasing about the 348 being phased out and replaced by the 548.

Brent,

The 348 will be phased out this year. The new 548 will have a bigger cab and be styled similar to the 567. More to come next week. I believe the UTC allows for model update, so it should not be an issue.

John,

I was looking at the pricing submitted for the different models of Peterbilts. What is the difference between model 348 v. 365?

Subject: Quote - S/A Dump Truck w/Snow Equipment

John,

I would like to get a quote for a diesel S/A Dump Truck w/Snow Removal Equipment. I know we would like to go with the Concord Road Equipment setup though I do not remember all the options that was available with that setup. If you

could send me the list of options on the Concord Road Equipment setup I will let you know which ones we would like to have the trucks.

Thanks.
