RESUME

I was born in Weinland Park in 1983. I stayed in Weinland Park until 1988, and lived just south of the neighborhood until 1991. I returned to the neighborhood in 2002 while doing community service as a City Year corps member. This was the first time I had been back in Weinland Park and other than a brief stop or field trip, the first time in the University Area. On that day I made a commitment to work with the people of the Weinland Park community until it becomes a neighborhood of choice. As long as the disenfranchised residents reside in the community I would be their. From 2002 I have been employed in several positions in Weinland Park. After doing my term for City Year I gained employment at the Godman Guild, where I was employed for 2 years. I also ran the after school program at Indianola middle school, and worked as an Americorps VISTA for a year with OSU Extension. I have been an active member of the civic association since 2003, and currently serve as the vice-president of the civic. I am active in the community because I saw a void in regards to young leadership, in particular young black leadership. There was no one else to step up to the plate, so I did so willingly.
