Education

The Ohio State University, Master of Architecture - 1987
Saint Cloud State University, Bachelor of Science in Education - 1973

Present

Managing Partner -- Yankee Brothers, LLC - Columbus, Ohio.

1997-2008

Co-Founder and Partner at TRIAD Architects, LLC, Columbus, Ohio. Clyde led many design and construction teams for the renovation of important historical buildings, large new projects (many in excess of \$100,000,000 and large scale land planning). He personally led the design of the McClain High School and Greenfield Exempted Village School's campus. This is the only Ohio school to have been listed in Archapedia, and was nationally published by the National Trust, American School & University, School Planning and Management, and Design Cost Data as the best practice in renovation.

1987-1997

Partner at MCB Architects. Clyde devolved marketing strategies, led design teams, and managed employer development. In 1999, he was part of the statewide evaluation of all school facilities that led to the largest state funding program in history. He also designed the restoration of numerous historical building including: The Brumback Library, the oldest county library in the United States.

1976-1987

Founded and managed The Learning Tree, a comprehensive educational pre-school and latchkey program. The program was so innovative and well respected that Governor Rhodes asked Clyde to serve on a state committee to evaluate Child Day Care in Ohio and to draft a legislative proposal to enact the State's Day Care Provider Law. This law has been in effect ever since with only minor changes.

1973-1976

Director of the Art Department for The Education Center of Bona, Bona, Dominican Republic. In addition to developing the K-12 curriculum for this 350 student private school, Clyde also worked on the accreditation team that resulted in the school becoming the world's first American accredited bilingual school.
