

March 19, 2025

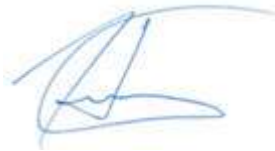

To Whom It May Concern:

A&H Equipment is the exclusive Dealer for Elgin Sweeper Company & Vactor Manufacturing OEM certified municipal sales, parts, and service in 2025 covering all counties in the State of Ohio, excluding Hamilton, Clermont, Butler and Warren. This includes being the authorized Sourcewell agent for Ohio.

This letter replaces JDC's exclusivity. They are no longer authorized dealer for Elgin or Vactor.

Please contact me with questions.

Regards,

Hunter Larson
