- a new law or regulation requires immediate compliance
- other _____

2. Detailed explanation of reason (must be completed by division):

To obtain the highest possible revenue from the sale by the use of a broker is the best possible solution due to the uniqueness of this equipment. The City of Columbus has used the services of Air Flite as a broker in the sale of helicopters in 2002, 2006, 2007 and 2009. The Department of Public Safety is requesting that the provisions of Chapter 329 of the City Code pertaining to the sale of city-owned personal property to be waived. By expediting this sale, revenues could be greater than anticipated due to the current demand in the marketplace for this type of helicopter.
