RESUME

Clyde Miller
1992 Candlenut Circle
Grove City, Ohio

Despite the Grove City mailing address, this address is in the Willow Creek development in the city of Columbus. In November 2004, I will have lived here for 27 years. My wife and I have raised our two sons in this house and are currently playing an active role in helping to raise our two grandchildren.

I believe that the lack of an active commission in our neighborhood during the past few years has led to an increase in the number of polluting industries near our homes that threaten our health and property value.

For the past three years, I have been a commissioner on the Southwest Area Commission. For the first year, I was the Vice Chairperson and for the past 2 years, I have been the Financial Officer. I believe that the Commission plays a very important job in trying to improve the area for its residents. I ran for election as a commissioner to continue this process of improving the neighborhoods located within the Commission's boundaries.
