Good morning,

Approval is requested by infrastructure management to purchase one Ravo vacuum sweeper. We are working to get a revised quote that has an expiration date indicated, but the price should still stand per attachment.

Thank you,

Hey Matt,

Just to follow up on our phone conversation – please let me know if the vendor indicated how long this quote would be good for. There wasn't an expiration date on the quote, so I assume the pricing still stands, but we will need an expiration date to be notated on the quote (normally 45-60 days) so the price stays firm & they don't change anything up on us.

Joey Faber from purchasing did respond this morning and advised if the agency was okay with the pricing, Purchasing will approve the purchase via PR to PO process.

Thanks!
