RE: Bid Recommendation - #SA003064
Purchase of Automated Chlorine Gas Valve Control System

The Purchasing Office opened bids on October 23, 2008 for the purchase of one (1) automated chlorine gas valve control system for the Division of Power and Water. Two (2) bids were received.

The Henry P. Thompson Company, located at 101 Main Street, Suite 330, Milford, OH 45150, was the lowest responsive, responsible bidder. I recommend that they be awarded the bid for Item #1 for one (1) automated chlorine gas valve control system at a price of \$68,900.00.

Ronald Whittington
Plant Maintenance Assistant Manager
Parsons Ave Water Plant
