Describe your community involvements in the past

I bought my home on the far east side of Columbus in December of 2000. As a board member of our subdivision's homeowners' association, I have been communicating with area community block watch organizations to get information to our subdivision as to the crimes in the far east side area, particularly around our corridor. I am in the process of implementing a block watch in our subdivision. Last year I became a member of the Far East Area Task Force.
