Hi Jessica,

Below are the changes for equipment purchasing:

- Aggregate heater quantity went from 2 to 1 still using account 7704
- Skid loader quantity and account did not change
- Flail mower quantity went from 3 to 1 and it needs switched from 7704 to 2266

- Tandem axle hook lift truck quantity is the same but needs switched from 2266 to 7704

I'm guessing we don't have to start the approval process again for the stuff that's already been started but I wasn't sure about the hook lift. I sent that in on April 2nd but now the account has changed. If you need me to resubmit for Director approval, just let me know. Thanks for your help!
