**City Attorney:** Following review and approval, when required, this ordinance has been reviewed by the City Attorney's Office as to its form and legality only.

**Explanation**

**BACKGROUND:** Chapter 1710 of the Ohio Revised Code, effective September 29, 1994 provides for the creation of Special Improvement Districts (SID), by non-profit corporations governed by trustees elected by the property owners for the provision of special services in a designated district. The City of Columbus currently has five Special Improvement Districts (SIDS), they are the Capital Crossroads SID, Discovery SID, Short North SID, Morse Road SID, and the University District SID, all have been very successful. We now have a petition to approve a new SID in the East Main Street area, from Bexley to Whitehall, to be known as the "East Main Street Special Improvement District, (East Main Street SID). The property owners have initiated a one petition process in which the property owners of at least 60% of the front footage of all real property located within the District signed that they are interested in the creation of a SID and they approve of the Plan for Improvements and Services to be provided by the SID.

This legislation is one of the first actions required by Chapter 1710 of the Ohio Revised Code. City Council must approve the Initial Plan of Improvements and Services (attached) of the East Main Street Special Improvement District of Columbus, Inc., an Ohio not-for-profit corporation organized pursuant to Chapter 1710 of the Revised Code.

Companion legislation is being presented that approves the Petition and the Articles of Incorporation of the East Main Street Special Improvement District.

This legislation is for the approval of the Plan for Improvement and Services (Attached) to be provided by the East Main Street Special Improvement District of Columbus, Inc. pursuant to Ohio Revised Code Chapter 1710.

**FISCAL IMPACT:** No funding is required for this legislation.

**Title**

To approve the Initial Plan for Improvements and Services to be provided by the East Main Street Special Improvement District of Columbus, Inc., and to approve the property of the municipal corporation in said plan for improvements and services.

**Body**

**WHEREAS,** the property owners located in the East Main Street area have initiated a petition to create the East Main Street Special Improvement District (SID) and to approve the Initial Plan for Improvements and Services and have filed the Petition with the Columbus City Council along with the Articles of Incorporation for Special Improvement District, Inc. a non-profit corporation to be

responsible for the operation of the SID; and

**WHEREAS**, companion legislation to approve the Petition and Articles of Incorporation to create the Special Improvement District, Inc. is simultaneously being presented to Columbus City Council; and

**WHEREAS**, this legislation is for the approval of the Plan for Improvements and Services to be provided by the East Main Street Special Improvement District of Columbus, Inc. pursuant to Ohio Revised Code Chapter 1710; and

**WHEREAS**, the Clerk of Columbus City Council finds the property owners per the signed petition and the City per this resolution represents at least seventy-five percent (60%) of front footage of all property located in the East Main Street Special Improvement District per Section 1710; and

**WHEREAS**, it is the determination of the City Council that the Special Improvement District is a valuable tool for economic development and a means of continuing to improve the East Main Street area; NOW, THEREFORE:

**BE IT RESOLVED BY THE COUNCIL OF THE CITY OF COLUMBUS:**

**SECTION 1.** That the Initial Plan of Improvements and Services, including the estimate of cost of the improvements and services to be provided by the East Main Street Special Improvement District of Columbus, Inc., now on file with the City Clerk are hereby approved.

**SECTION 2.** That the Mayor or his designee is hereby authorized to designate in writing that the City's property within the East Main Street SID is included under the Plan for Improvement and Services and may be assessed under the Plan for Improvement and Services.

**SECTION 3.** That the City Clerk is hereby directed to post a copy of this Resolution in the Office of the City Clerk as provided by Ohio Revised Code Chapter 1710.

**SECTION 4.** That this Resolution shall take effect and be in force from and after the earliest period allowed by law.

**PETITION TO CREATE THE EAST MAIN STREET  
SPECIAL IMPROVEMENT DISTRICT**

**IMPORTANT INFORMATION ABOUT THIS PETITION**

You are being asked to execute a Petition for Creation of the East Main Street Special Improvement District of Columbus.

The proposed boundaries of the district will consist of assessable properties in the City of Columbus, running from the boundary with Bexley on the west to the boundary with Whitehall on the east. This is a distance of approximately 1 mile. Creation of the District requires the approval of property owners representing at least 60% of the property within District boundaries, based upon front footage.

When circulation of this petition has been concluded, the petition will be presented to the Columbus Mayor and City Council. You may withdraw your signature from the petition at any time prior to its presentation to the City.

If enough signatures are gathered and the petition is approved by City Council, you should expect the following:

1. A non-profit corporation will be formed.
2. All of the property owners in the District will be members of the non-profit corporation and will elect a Board of Trustees comprised of property owners. The City of Columbus will also appoint at least one representative to serve on the Board.
3. An assessment will be levied against all of the properties in the District based on the taxable value of each property. This assessment will amount to approximately 7.5 percent of each property owner's annual property taxes. The assessments will be collected, beginning no earlier than 2017 in the same manner as real estate taxes and forwarded to the non-profit corporation to pay the costs of providing the improvements and/or services set forth in the plan adopted by the Board of Trustees. Thus, property owners in the District will remain in control of the use of the assessment monies.
4. The Board of Trustees will use the assessments to implement the service plan outlined in the petition.
5. If the required property owner approvals are not obtained on the petition, then the non-profit corporation will not be formed and no assessments will be levied.

## PETITION TO CREATE THE EAST MAIN STREET SPECIAL IMPROVEMENT DISTRICT

*To: The Mayor of the City of Columbus, Hon. Andrew J. Ginther, and Columbus City Council.*

The undersigned do hereby respectfully petition the City of Columbus (the "City") for the creation of the **East Main St. Special Improvement District of Columbus** (the "District") pursuant to Section 1710 of the Ohio Revised Code and amendments thereto (the "Act"). The **District Boundaries** will be as described and shown in Exhibit A attached hereto and made a part hereof.

Each of the undersigned represents that he or she is the owner, or the authorized signatory of the owner, of the property or properties set forth below, which collectively comprise at least sixty percent (60%) or more of the front footage of property abutting upon the streets, alleys, public roads, places, boulevards, parkways, park entrances, easements, and other public improvements situated in the District.

In support of this petition, the undersigned petitioners approve the following:

1. **Mission.** The mission of the District will be to enhance the value of properties within the District by carrying out the improvements and/or services in and for the benefit of the District as the Board (defined below) may determine and funds may allow, all as set forth in the Service Plan.
2. **Corporate Entity and Governance.** The operations and fiscal affairs of the District will be managed and administered by the Board of Trustees (the "Board") of East Main St. Special Improvement District of Columbus, Inc., an Ohio not-for-profit corporation to be formed for such purpose. The Board will consist of at least four (4) individuals and will have all powers authorized by the Act. At least three (3) trustees will be elected by the property owners in the District, and at least one (1) will be an appointee of the City of Columbus.
3. **Authority.** The District will be authorized to provide services and improvements pursuant to the Act that will benefit property within the boundaries of the District. The City will be authorized to levy a special assessment on property within the District to pay for such services and improvements, based on the benefits conferred by those services and improvements.
7. **Boundaries.** A description of the boundaries of the District, a map showing the boundaries of the District, and a definitive listing, as identified by parcel number, of properties to be included in the District are provided in Exhibit A.
8. **Miscellaneous.** The undersigned acknowledge that the District is being created using the single petition option under the Act and that no further authorization by property owners will be required for the District to be created and the Service Plan to be implemented.

This petition may be executed in several counterparts, each of which will be an original and all of which will constitute one and the same instrument.

**PETITION TO CREATE THE EAST MAIN STREET

**PETITION TO CREATE THE EAST MAIN STREET  
SPECIAL IMPROVEMENT DISTRICT**

**EXHIBIT B**

**PLAN OF SERVICES & BUDGET**

The total budget is \$54,000 per year at a 7.5 percent special assessment on property taxes. This tax assessment will pay for unarmed safety patrols, on bicycle and on foot, with a direct connection to the Columbus Police Department. The tax assessment will also fund litter pickup along Main Street. At \$10 per hour and 10 hours per week, litter pickup will cost \$5,200 annually.

If other funds are secured from the City of Bexley, COTA or other sources, services will be increased proportionally. To pay for 40 hours of Community Crime Patrol time, which costs \$70,720, we will require outside funding.

All other projects, like beautification, landscaping and lighting, will be financed through private donations, government contributions, and/or grant funding.
