TAB VII: Notes

Overall bid questions:

PM's responses:

(IC-c): 1. Are there any technical requirements / specifications required? If so, does the lowest bidder meet them?

No, per Don Cruden. 3/12/20

General Temperature Control Inc.

Note: They marked "No" for environmentally preferable but submitted documentation.

(IB-b): Subs prequalified:
Per Don: GTC is doing all of the HVAC work, Johnson Controls [not a HVAC contractor] is only connecting the controls [thermostats, smoke alarms, freeze stats, etc...] to the HVAC controllers, Pringles [not a HVAC contractor] would be cleaning the duct work. I think the 2 subs are good to go."
