SPECIAL PROVISIONS

Pricing Summary/Scope for Southerly Wastewater Treatment Plant 6977 South High Street, Lockbourne, OH 43137

TEST AND INSPECTION OVERVIEW:

Under this Special Provisions, SimplexGrinnell trained technicians will perform inspections and diagnostic tests for all accessible peripheral devices listed and currently connected to the facility life safety system. Tests will be scheduled in advance at the convenience of customer's staff (see "List of Equipment" page for equipment to be tested).

DOCUMENTATION: All accessible components and devices shall be logged for:

Exact location of each device tested, including system address or zone location

Test results and applicable voltage readings

Any discrepancies found shall be noted individually and on a separate summary page

Inspection documentation shall be provided to customer's designated personnel and copies shall be archived by SimplexGrinnell. **NOTE: Certain additional services may be required by the respective Authorities Having Jurisdiction (or AHJ), NFPA: Local AHJs or internal organizational requirements may be more restrictive than state requirements. The building owner or manager should make them self aware of applicable codes and references in order to ensure that contracted services are in compliance with (and fulfill) all requirements.**

See attached amendment letter
