Work Experience

Special Agent

United States Department of Health and Human Services,

Office of the Inspector General

Office of Investigations

May 1998 – October 2025(retired) | Columbus, Ohio

Chief responsibility is the investigation of fraud involving Federal Health Care Programs, located in the southern district of Ohio with a focus on Medicare and Medicaid regulations; Authorized to conduct both criminal and civil federal investigations, audits and inspections in connection with the administration and enforcement of laws, regulations, orders, and programs in which HHS-OIG is a party of interest; Tasked with providing protective services and other duties on behalf of the Secretary of the Department of Health and Human Services, the Surgeon General of the United States, and most recently the Director of the National Institute of Allergy and Infectious Diseases.

Job Qualities and Interpersonal Skills

- Driven and persistent worker. A great member of any team who does his job with diligence and focus. Positively adapts to change. Effectively communicates to colleagues and superiors. An organized professional who can successfully execute plans.
- Organize and execute investigative plans, search and arrest warrants that have identified complex violations of law and required coordination between multiple agencies such as the FBI, IRS and the United States Attorney's Office.
- Effectively communicate investigative information to internal and external audiences.
- Consistently prepare written work products that are timely, clear, factually accurate, logical, and grammatically correct with minimal corrections.
