RIGHTS IN DATA: Oracle programs, including the operating system, integrated software, any programs installed on hardware and/or documentation, delivered in accordance with the terms and conditions of the contract are "commercial computer software" pursuant to the applicable Federal Acquisition Regulation ("FAR"). As such, use, duplication, disclosure, modification, and adaptation of the programs, including the operating system, integrated software, any programs installed on the hardware, and/or documentation, shall be subject to the End User Agreement, and then, to the extent applicable, the additional rights set forth in FAR 52.227-19, Commercial Computer Software (DEC 2007) wherein for the purposes of the contract "Government" shall mean the ordering activity. Issuance of an order off this quote signifies buyer agreement that no additional FAR clauses pertaining to Rights in Data apply.

WARRANTY: The warranty for the products you are purchasing is outlined in the End User Agreement that is referenced on this quote. Additional warranties are not accepted and considered to be null and void.

SECURITY/PRIVACY: No Oracle Authorized Reseller can agree to accept security or privacy clauses without the express written approval of Oracle; most public sector (State or Locality) specific clauses pertaining to security or privacy do not apply to Commercial Off The Shelf (COTS) or commercial items. End users will not transmit PII or PHI to Contractor or Oracle during the performance/delivery or use of the line items quoted herein. Customer Ordering Activity would need to execute a BAA directly with Oracle in the event PHI is transmitted or accessed. A valid PO will not contain public sector, State or Locality specific clauses pertaining to security and privacy or will otherwise state on the PO those clauses do not apply.

This is not an exhaustive list, and additional terms may be identified for removal or non-application
