Short Bio:

John has an Associate in Arts from Ohio University with two years additional coursework at OU in computer science and business law. He worked many years in computer repair, education, and advanced technical support. He currently works from home on a variety of web and computer based projects including tech support, crowdsourcing, university and business research, advertising and sales.

John was born and raised in Worthington and attended St Michael's Elementary and then the Worthington public schools. John has owned his home on North Oakley Ave for the past 15 years and is involved in his neighborhood. He helped to start several neighborhood community gardens and can often be seen picking up trash and cutting the grass at vacant properties on his block.
