Hey John,

Infrastructure is requesting to purchase five Ford F-250 pickup trucks and upfit for those trucks. There will be a one-for-one exchange for the trucks, in which we'll provide the brass tags closer to when we receive the new vehicles.

Do we have Fleet approval?

Best regards,

Josh,

Street Maintenance is seeking approval to purchase five (5) F250 Crew Cab Trucks. I have attached the quote from Byers. I have also attached the specs for the upfit of these trucks when they are received from Byers. These five (5) trucks will be one-for-one and I will provide the BT#'s of the vehicles being turned in once we receive the new vehicles. These vehicles will be used for transporting crews and equipment to and from various jobsites throughout the city.

Let me know if there is anything else you need.
