This Solution Summary summarizes the Document(s) that are attached hereto and such Document(s) are incorporated into this Solution Summary by this reference. Customer's signature on this Solution Summary (or Customer's issuance of a purchase order in connection with this Solution Summary) shall represent Customer's agreement with each attached Document and acknowledgement that the attached Document(s) are represented accurately by this Solution Summary. Each Document is governed by that certain agreement as stated within that individual Document.

The pricing on this Summary page is valid for thirty (30) days. All prices are subject to change without notice.

This order is a configured order and/or contains software.

Special Comment to Solution Summary:

This order is for hardware only, no software or pro services.
 Note, the Polycom VVX 311 & VVX 411 phones are not supported on City of Columbus's current CIC 3.0 system. These phones require a minimum of CIC 2015 R2. These phones are intended for use after City of Columbus completes their CIC 2016 migration.
