Hi DeLena,

My name is Sundi Corner and I recently applied for a seat within the South Linden Area Commission - What an exciting time to be a resident in South Linden!

My goal during my tenure with SLAC is to share information with, engage, and challenge my neighbors in Linden. I will continue to be visible and serve as a familiar and trusted voice for them, welcoming and encouraging growth and change. I will work closely with them and new residents to ensure our heritage and integrity we've worked so tirelessly to exemplify is always represented and maintained.

This is an exciting time for us and I will rise to the occasion!

Thank you,

Sundi

What Has Been Your Best Learning Experience and What Made It A Good Learning Experience?

I, fortunately, cannot limit my learning to one "best" experience. I believe all my experiences, good and bad, have positively impacted and matured me. They have shaped and molded me in a way that I am grateful for. My experiences have and will continue to provide me with knowledge and

wisdom of how, and when to address situations that may arise. For this I believe experience itself has been my best teacher.

## **IV. Statement of Commitment**

In 250 words up to 500 words, please respond to each of the following questions to explain your commitment to public service. Your response may be up to two (2) typewritten pages.

1. What traits do you feel define you as an emerging leader? I believe my knowledge, wisdom, passion and vision define me as an emerging leader. Understanding there is always something to learn, I also believe my ability to follow is another of my strong leader trait.
2. What makes you passionate about the greater Linden Community--south neighborhood? I am passionate about South Linden because this is my community. I was born, raised and still reside within the community. I know what that community was, can be and will become again with the right influence, leadership and guidance.
3. What do you seek to gain, learn, or plan to achieve by serving on the South Linden Area Commission? In joining the SLAC my goal is to represent the true voice of the community. To ensure the dynamic changes being presented/planned for South Linden are not implemented without our stamp of approval. To see this community become vibrant as it once was, without losing the heritage that it has always had. I would like to restore the image of our community to what it rightfully should be. To help my neighbors with job readiness, financial literacy and homebuyer education courses. I want to challenge the landlords and business owners within our community to become more visible and to take an active role in improving our community. Challenge them to provide a quality product/service for the fees in which they are receiving. I seek to learn from those already on the board, what has worked and what doesn't, the obstacles they believe we face and how we can overcome them. I would like to become a pillar within my community for those to seek out when in need.
