The Department of Public Utilities ("DPU") DPU has developed and implemented an Environmental Management System (EMS) in accordance with the ISO 14001:2004 Standard. The Request for Proposal is for auditing and registration services from a Registrar so as to certify that the EMS conforms to the ISO 14001:2004 Standard. These services shall include:

- Initial Auditing of DPU's EMS and associated processes and services for conformance and registration to the ISO 14001:2004 Standard.
- Conducting two annual surveillance audits through the period of certification (3 years).
- Providing registration services.

An updated contract timeline to contract completion.

Services under this agreement are to be provided over a period of three years. Funds for the project shall be reviewed and approved each year of the three year contract by City Council and the Mayor, and Auditor's certification of funds. Notwithstanding any provision in this Agreement to the contrary, the maximum obligation of the City for services described in this agreement for the period commencing on August 1, 2014 through December 31, 2014 ("Phase 1") is limited to the amount of \$60,000.00, unless all the following occur: this Agreement is modified in writing; City Council enacts an ordinance approving the new amount; the Mayor has authorized the additional amount; and the Auditor has certified the additional funds. The City is not obligated to spend the maximum obligation authorized under this Agreement. Phase 2 costs under this agreement for the period from January 1, 2015 through December 31, 2015 are estimated at \$25,000.00. Phase 3 costs for the period from January 1, 2016 through December 31, 2016 are \$25,000.00.
