An updated contract timeline to contract completion.

The total project cost is to be shared among three agencies. The United States Geological Survey will provide approximately \$26,820; the Franklin County Soil and Water Conservation Office will provide approximately \$59,020, with the remaining contribution provided by the City of Columbus, Department of Public Utilities over a period of three years (3 Phases). Funds for the project shall be reviewed and approved each year of the three year contract by City Council and the Mayor, and Auditor's certification of funds. Notwithstanding any provision in this Agreement to the contrary, the maximum obligation of the City for services described in this agreement for the period commencing from date of execution through June 30, 2013 ("Phase 1") is limited to the amount of forty eight thousand dollars (\$48,000.00), unless all the following occur: this Agreement is modified in writing; City Council enacts an ordinance approving the new amount; the Mayor has authorized the additional amount; and the Auditor has certified the additional funds. The City is not obligated to spend the maximum obligation authorized under this

Agreement. Phase 2 costs under this agreement for the period from July 1, 2013 through June 30, 2014 are eight thousand dollars (\$8,000.00). Phase 3 costs for the period from July 1, 2014 through June 30, 2015 are estimated at ten thousand dollars (\$10,000.00). The City may, at any time during the performance of the services under this Agreement, propose a modification of the Contract by a properly authorized written instrument. With the approval of City Council and execution of such modification by both parties hereto, it shall be fully incorporated into this Contract and shall govern all subsequent performance under the Contract.
