Good news!

Here is the Fleet approval on the expansion vehicle for DOSD. I think you should now have everything needed to move forward with the 13 light duty trucks and the 1 auto.

Thanks

Jim tomorrow the permits section will be bringing a trans connect to you BT#24731.

This is for Dave Richter. Dave will bring you BT#21507 for auction.

Dave make sure you let me know when you bring 21507 to us so I can get the dis-position done.

Please try to make this happen quickly Dave.

Thanks, Kevin
