RE: **Sole Source Justification for Enterprise Agreement (EA)**

This letter confirms Esri, as owner and manufacturer, is the sole source provider of all U.S. domestic Enterprise Agreements. While some products are available through value-added resellers on a unit priced basis, Esri is the only source that can grant a right to copy and deploy products in an Enterprise Agreement. An EA is a bundled package for licensing software, maintenance, and online services for redistribution within the organization. Esri products are provided with a special grant to copy and deploy specified quantities of capped items and unlimited quantities of items without a cap, during the term of the EA.

If you have further questions, please feel free to call me at our Contracts and Legal Services Department at 909-793-2853, extension 1990.

Kind regards,
