Scope of Work

- equivant will provide project management services to schedule and coordinate the work to be performed by equivant.
- equivant will complete standard eAccess configuration for Customer (add Customer specific headers, links, etc.) - effort not to exceed 8 hours.
- equivant will complete eAccess user access configuration - effort not to exceed 8 hours.

- equivant will provide design, develop and quality assurance testing services to create new Search Warrant and Miscellaneous Docket Cases to provide easier access to agency.

Notes

- 1 Quotation must be signed and returned with a purchase order for activation of license(s), maintenance and scheduling of the project work.
- 2 Delivery will be scheduled for the first available date at which equivant and Customer resources are jointly available. Should rescheduling be necessitated for any reason, the next available date at which equivant and Customer resources are both available will be scheduled.
- 3 Professional Services quoted are at a firm fixed price, but extent of services is limited to the hours indicated in "Scope of Work" section. For those items that are limited, actual effort, costs and expenses may be less than or greater than those estimated. Customer shall have no obligation to pay equivant more than the estimated price. equivant shall have no obligation to provide labor or incur costs or expenses having a combined value more than the quoted price, even if the services have not been completed or the deliverables delivered, or the results expected by the Customer have not been achieved. The parties may by mutual, written agreement, increase the quoted price. Changes in scope will require a change order to increase the firm fixed price based upon the additional level of effort required.
- 4 If project is cancelled prior to completion, all effort and travel-related costs expended through the date of cancellation will be due and
- 5 Payment for License Fee is due upon contract execution.
- 6 First Year Support and Maintenance will begin and payment due upon quote execution.
- 7 Payment term is net 30 days from invoice date.
- 8 equivant will invoice for the Professional Services fee upon completion of the baseline eAccess product installation.
- 9 Except as expressly modified here, License(s) are subject to the terms and conditions of the active license agreement.
- 10 Except as expressly modified here, Support and Maintenance is subject to the terms and conditions of the active support agreement.
- 11 equivant will install the additional portal in the equivant hosted environment.
- 12 eAccess has been developed using generally accepted industry practices and standards and typically will function with most commonly used browsers. equivant has tested, and supports under the Maintenance Agreement, the use of the following browsers for use with eAccess: Microsoft Internet Explorer Version 8 or later, Google Chrome Version 24 or later and Mozilla Firefox Version 3 or later. The browser used, and the platform on which it is run, may effect the presentation of the user interface. Presentation anomalies that do not affect eAccess functionality may occur and are not considered defects. equivant does not test the use of eAccess with other browsers and issues caused by the use of a browser not listed above are not covered within the scope of the Maintenance Agreement.
- 13 Delays caused by Customer site or configuration issues may require rescheduling and/or Change Order for additional services and related travel costs.
- 14 Customer will make available all resources requested by equivant for assistance and approval.

- 15 All services are to be provided remotely. Should travel be requested or deemed to be required, a separate Change Order for estimated travel costs and travel time will be provided.
- 16 A single eAccess portal can connect to, and extract data from, a single CourtView database.
- 17 eAccess is licensed for a single portal (irrespective of whether the portal is public or authenticated), use of eAccess to support multiple portals is subject to additional license and support fees.
- 18 equivalent will install eAccess in one test and one production environment.
- 19 The scope of work does not include any work related to the establishment, migration or maintenance of any replicated database.
- 20 equivalent assumes that the additional portal is being implemented subsequent to a public portal at the same Customer site using the same eAccess instance and that the same Customer staff will configure and maintain both the public and additional portals.
- 21 If the additional portal is to be configured as an the Attorney Portal variant of an authenticated eAccess portal, the Bar IDs in the Customer's CourtView instance must be unique.
