Columbus Public Health
240 Parsons Avenue
Columbus, OH 43215

Dear Dr. Regan:

Gilead Sciences, Inc. (“Gilead”) and Columbus Public Health (“Organization”) are parties to that certain FOCUS agreement effective June 22, 2016 (“Agreement”), pursuant to which Gilead provided a FOCUS award (“Award”) to support Organization’s efforts to provide and promote certain HIV and/or hepatitis C testing and testing-related services (“Project”), as set forth in greater detail in your proposal and budget dated May 7, 2020, in the amount of Two Hundred Fifty-Eight Thousand Dollars (\$258,000).

Organization’s request for a no-cost extension of the term of the Project has been approved through March 31, 2022. Remaining Award funds (20 percent of the award / \$51,600) will be provided upon Gilead’s approval of the final Report (as defined in the Agreement) detailing the full scope of the Project from July 1, 2020 through March 31, 2022 and submitted to Gilead no later than April 30, 2022.

This Award Letter and Organization’s use of Award funds shall be governed by the terms and conditions contained in the Agreement, entered into by and between Gilead and Organization on June 22, 2016 the terms of which are hereby expressly incorporated as Exhibit B3.

Please sign below to indicate agreement to this Award Letter, make a copy for your files, and return a signed copy via email to Monique Rucker, Regional Lead at Monique.rucker@gilead.com.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael D. Boyd".
