RE: BID RECOMMENDATION – # SA005535  
CNG COMBINATION SEWER CLEANING MACHINE

The Purchasing office opened formal bids on September 4, 2014 for the purchase of Three (3) CNG Combination Sewer Cleaning Machines. Three (3) bids were received.

ESEC Corporation dba Columbus Peterbilt was the lowest bidder (see attached bid tabulation). ESEC Corporation dba Columbus Peterbilt submitted a primary bid for a single engine unit in the amount of \$399,971.00 per unit and an alternate bid for a dual engine unit in the amount of \$399,971.00.

After a review of the bids, the Division of Sewerage and Drainage recommends the award be made to ESEC Corporation dba Columbus Peterbilt for the primary bid, the lowest responsive and responsible and best bidder for a total amount of \$1,199,913.00. **NOTE:** The primary bid is for the single engine unit with a Van-Con sewer body provided by Best Equipment Co (Quote Number 16690). The alternate bid for the dual engine unit does not meet the requirements of the specifications (Quote Number 16689).

Thank you for your cooperation in this matter. Should you have any questions please contact James D. Bond at 614-645-6272.
