All current benefit levels shall be maintained with the following changes:

Effective January 1, 2007, the following fixed payment benefits will be increased as follows:

- (3) Mammogram coverage \$125.00.

- (B) Prescription Drug.

- (1) Under the prescription drug ID card program, a \$5.00 deductible will apply to generic prescription drugs or \$10.00 for brand name drugs if no generic substitution is available. Brand name drugs, if a generic substitute is available, will be an additional deductible of \$25.00, unless deemed medically necessary.
- (2) The dispensing amount will be limited to a thirty-four (34) day supply or one hundred (100) doses whichever is greater.
- (3) Mail order prescription drugs will be limited to a thirty (30) day minimum and a ninety (90) day maximum. Under the mail order program, a \$10.00 deductible will apply to generic drugs or \$20.00 for brand name drugs if no generic substitution is available. If the prescription is for a brand-name drug, or the prescription is written "dispense as written" and a generic equivalent exists, the co-pay is \$50.00.

- (4) A prescription drug preferred provider organization (PPO) arrangement will be offered which allows payment of generic prescription drugs or brand name if no generic substitution is available, under the program benefit levels for participating pharmacies.

The employee shall be responsible for a five dollar (\$5.00) co-pay for a generic drug. If there is no generic drug equivalent for the prescribed drug, the co-pay is ten dollars (\$10.00). If the prescription is for a brand name drug, or the prescription is written "dispense as written" and a generic equivalent exists, the co-pay is twenty-five (\$25.00) for participating pharmacies. If participating pharmacies are not used, an additional ten dollar (\$10.00) co-pay shall be imposed.

- (5) Maintenance drugs must be obtained through the mail order program. The original prescription with no refills may be purchased locally but subsequent refills must use the mail order program.
- (6) Misuse of Prescription Drug Program. Misuse or abuse of the prescription drug program may result in the suspension of the employee's prescription drug card privileges for the abusing employee or dependent for a period of twelve (12) months.

As used herein, misuse or abuse of the prescription drug program occurs when the employee or dependent pleads guilty or is found guilty in a court of competent jurisdiction of a criminal charge relating to the misuse or abuse of prescription drugs or that the employee or dependents are referred to or diverted to a drug treatment rehabilitation program in lieu of a criminal conviction.

It shall be mutually understood that when an employee's or dependent's privileges are suspended for the misuse or abuse of the prescription card drug program, the benefits of the program shall continue for any other family members determined not to be involved in the misuse or the abuse of the program, through the direct reimbursement program.

- (7) Effective with prescriptions dispensed on or after August 1, 2004, prescription drug deductible/co-payment charges are not payable under the medical contract.

(C) Cost Containment.

Medical Utilization Review:

(1) Pre-admission Certification.

If an employee or a dependent is informed that a non-emergency inpatient admission is necessary, the admission must be pre-certified by the City's Medical Utilization Review Administrator. If no precertification was made or the hospitalization was determined not to be medically necessary, a ten percent (10%) coinsurance will be applied, in addition to the deductible and coinsurance provisions. This ten percent (10%) coinsurance does not apply to the out-of-pocket maximum. In the event the care is determined to be medically unnecessary, the employee will be responsible for all charges of medically unnecessary care.

(2) Assigned Length of Stay.

Once an elective admission has been pre-certified, a length of stay is assigned. If the hospital stay extends beyond the assigned length of stay, all charges for the additional days of stay will be subject to a ten percent (10%) coinsurance, in addition to the deductible and coinsurance provisions. This ten percent (10%) coinsurance does not apply to the out-of-pocket maximum. Medically necessary care will constitute justification for certification of a length of stay extension by the Medical Utilization Review Administrator.

(3) Continued Treatment and Technological Review.

Certain outpatient non-emergency therapy, outpatient continued treatment, and advanced technological treatments recommended by an employee's attending physician will require the City's Medical Utilization Review Administrator's approval. These treatments will include:

I. Therapy

- A. Physical Therapy
- B. Occupational Therapy

II. Advanced Technological Procedures

- A. Magnetic Resonance Imaging (MRI)
- B. Lithotripsy
- C. Ultrasound Imaging during pregnancy
- D. Angioplasty

III. Treatment

- A. Chiropractic
- B. Podiatric

Once a physician informs the employee that it is medically necessary to receive physical therapy, occupational therapy, chiropractic treatment or podiatric treatment on an ongoing basis, the employee must contact the City's Medical Utilization Review Administrator to obtain continued treatment authorization. Also, if the physician instructs the employee to receive any of the listed advanced technological procedures, it is necessary for the member to contact the City's Medical Utilization Review Administrator to obtain pre-treatment authorization.

In the event the employee does not obtain authorization for continued therapy, treatment, or technological review, the employee will be responsible for 10 percent (10%) of the total charges, in addition to the employee's deductible, co-payment and out-of-pocket maximum provisions. In the event the care received is determined to be medically unnecessary, the employee will be responsible for all medically unnecessary care.

(4) Planned Discharge Program.

In the event a member or dependent is hospitalized and it is determined that hospitalization is no longer needed, this program allows the patient to receive care in the most medically appropriate setting.

(5) Mandatory Second Surgical Opinion.

For all inpatient and outpatient non-emergency surgeries, a second surgical opinion may be required as directed by the Medical Utilization Review Administrator. The second opinion shall be covered at one hundred percent (100%) of the reasonable charges. If the first two opinions conflict, a third opinion shall also be covered at one hundred percent (100%) of

reasonable charges. If a second opinion is not obtained for the surgeries, a ten percent (10%) coinsurance shall be applied, in addition to the deductible and coinsurance provisions. This ten percent (10%) coinsurance does not apply to the out-of-pocket maximum.

Based on medical information obtained prior to the surgery, the City's Medical Utilization Review Administrator may waive the mandatory second surgical opinion requirement in specific cases.

(6) Medical Case Management.

This program allows a consultant to review a patient's medical treatment plan to determine whether the covered person qualifies for alternate medical care. The determination of eligibility for patient's medical case management will be primarily based upon medical necessity and appropriate medical care. Recommendations will be made to the family and health care providers. The Medical Utilization Review Administrator will recommend alternate medical treatment on a case-by-case basis. Alternate medical treatment benefits refer to expenses that are payable as covered expenses under the medical plan.

(D) Vision Care Plan. The City shall maintain the current no-deductible vision care plan for all eligible employees:

(1) Non-Panel Reimbursement Schedule:

Professional Fees	
Examination up to	\$ 35.00
Materials	
Single Vision Lenses, up to	\$ 35.00
Bifocal Lenses, up to	\$ 50.00
Trifocal Lenses, up to	\$ 60.00
Lenticular Lenses, up to	\$ 90.00
Frames, up to	\$ 35.00
Contact Lenses necessary	\$170.00
cosmetic (for spouse	
and dependents only)	\$ 90.00
cosmetic (for employees only)	\$150.00

(2) Panel Retail Frame Allowance is \$130.00.

(E) Dental Care Plan. The City shall maintain the current dental coverage for all eligible employees, including maximum dental care of one

thousand five hundred dollars (\$1,500.00) per person, per year; and orthodontics of one thousand eight hundred fifty dollars (\$1,850.00) coverage. In addition, a voluntary dental PPO shall be available to employees that allows voluntary selection of a participating provider that will result in no balance billing over reasonable charges. All existing co-insurances levels and exclusions continue to apply.

- (F) Life Insurance. The City shall provide a life insurance benefit of one times annual salary to all employees who die while employed with the City.
- (G) Personal Liability Insurance. The City agrees to furnish, at no cost to employees, liability insurance for the purpose of insuring employees from liability for errors or omissions committed in the performance of their duties as City employees. In the alternative, the City shall self-insure this benefit.
- (H) New Employee Eligibility. Employees shall be eligible for hospitalization, surgical, major medical and physician's services benefits, prescription drugs, and life insurance on the first of the month following their date of hire. Such employees shall be eligible for vision care, dental care, and physical examination benefits on the first of the month following completion of one (1) year of continuous City service.
- (I) Physical Examinations. The City shall maintain the current physical examination coverage except that a stress test will not be payable under the physical examination benefit unless deemed medically necessary. The sole exception to this limitation on the stress test will be the first clearing examination for authorization to participate in the physical fitness program as outlined in the Public Safety Department policy, where the employee's physician determines a stress test is necessary to provide medical authorization to participate. If a stress test is deemed medically necessary or provided pursuant to a physician's initial authorization to participate in the physical fitness program, the City will pay eighty percent (80%) of the stress test and stress test interpretation up to a maximum of \$250.00 in charges.

If a mammogram and pap smear are done independent of the annual physical, they will not be counted against the annual physical benefit.

- (J) Communicable Disease Testing. At no charge to the employee, the Division shall contract with a twenty-four (24) hour medical facility to test employees who may have been exposed to communicable diseases, chemicals, noxious fumes, and/or smoke while in the performance of their duties.

- (K) Premium Contribution. Employees will be charged a monthly premium for participating in the City's insurance program that shall be paid through an automatic payroll deduction. The monthly insurance premium shall continue to be \$27.45 for single contribution and \$71.40 for family contribution. The monthly insurance premium shall be an amount equal to nine percent (9%) of the insurance base beginning with the pay period that includes July 1, 2006 and thereafter. The insurance base shall be the total actual cost to the City of the claims and administrative fees for medical, dental, vision, and prescription drugs for sworn employees of the Division of Police for the preceding benefit year of February 1 through January 31. The premium will be established as single and family rates. Half of the monthly premium will be deducted each payperiod not to exceed the total monthly premium.
- (L) Pre-Tax Benefits. A voluntary pre-tax dependent care and pre-tax insurance premium program offered by the City of Columbus or its appointed administrator will continue to be offered. Subsequent enrollments will be offered to new employees at the time of hire; existing employees may enroll during open enrollment month each year.

Insurance premiums: Each participant who elects to pre-tax the monthly insurance premium must complete the necessary election form which authorizes the City payroll to pre-tax that premium.

Dependent care program: Each participating employee who elects to enroll in the dependent care program will determine an amount to be pre-taxed biweekly through payroll deduction. The annual pre-tax limit, determined by each participant, shall not conflict with IRS limits identified in the Internal Revenue Code.

Amendments to the annual pre-tax maximum can only occur during open enrollment month, on the annual plan renewal date, or when a change in status occurs.

Participants will submit allowable claims to the City's plan administrator. Remittance from the participant's dependent care account will be sent directly to each plan participant. Amounts for which a participant does not have an eligible claim will be forfeited. These pre-tax plans will remain in effect so long as they continue to be authorized by the Internal Revenue Code.

An employee's regular wages shall be paid for the period or periods of time so served without deduction or offset for whatever amount such employee may receive as military base pay.

- (2) Military Leave In Excess of Twenty-Two Days.
 - (a) Where it is to the advantage of the City and on the approval of the Chief of Police, military leave of up to fifteen (15) additional eight (8) hour days (or one hundred twenty (120) hours) may be granted annually, provided that the employee is to be paid his regular wages for the time so served, less one (1) day military base pay for each day he would otherwise have been scheduled to work for the City while on military duty.

 - (2) Any employee who has entered the service as stated above, upon an honorable discharge or a discharge with honorable conditions

Such employee must request restoration to the position within ninety (90) days of receiving an honorable discharge from the Armed Forces or the position shall be declared vacant. Nothing contained in this subsection shall obligate the City to pay an employee who is on military leave of absence.

- (3) The term "Armed Forces of the United States," as used in this Section, shall be deemed to include such services as designated by the Congress of the United States.
 - (4) Where service in the Armed Forces results from induction or call to active duty, leave shall be granted for the duration of such call.
 - (5) Where service in the Armed Forces results from enlistment, leave shall be granted for not more than one voluntary enlistment.

SECTION 11. VACATION LEAVE.

- (A) Vacation Year. The vacation year for employees shall end at the close of business on the last day of the first pay period that begins in the month of January.
- (B) Conditions for Accrual. Each employee shall accrue vacation leave by pay period based on years of total service which is established in the schedules contained in Subsection (C) of this Section 11. Years of total service is defined to be the total of all periods of employment for the City of Columbus. Any periods of interruption of service due to resignation, layoff, or discharge for cause will not be included in the computation of total service. Time in unpaid status shall also be excluded in computing total service. In computing years of service, the higher rate of accrual will begin on the first day of the first pay period in which a year of service is completed.
- (C) Accrual Schedule for Vacation. The following vacation accrual schedule is established:

<u>Years of Total Service</u>	<u>Vacation Hours Per Year</u>	<u>Vacation Hours Per Pay Period</u>
3 yrs but less than 6 yrs	188 hrs	7.231 hrs
6 yrs but less than 14 yrs	244 hrs	9.385 hrs
14 yrs but less than 20 yrs	268 hrs	10.308 hrs
20 or more yrs	292 hrs	11.231 hrs.

- (D) Maximum Accrual of Vacation. Any vacation balance in excess of the maximum number of hours established in this Subsection (D) shall become void as of the close of business on the last day of the first pay period that begins in the month of January.

<u>Years of Total Service</u>	<u>Maximum Accrual of Vacation Hours</u>
3 yrs but less than 6 yrs	564 hrs
6 yrs but less than 14 yrs	732 hrs
14 yrs but less than 20 yrs	804 hrs
20 or more yrs	876 hrs

(E) Additional Considerations.

- (1) At the end of each vacation year, an employee shall be paid for any vacation balances in excess of the maximums fixed by this Section 11 upon certification by the Public Safety Director to the City Auditor and the Civil Service Commission, and the approval by the City Council that, due to emergency work requirements, it is not in the best interest of the City to permit an employee to take vacation leave which would otherwise be forfeited as provided in Subsection (D) of this Section 11.
- (2) To be eligible for vacation accrual, an employee must be in paid status for a minimum of seventy-two (72) hours within that pay period, except for military leave.
- (3) An employee who is to be separated through discharge, resignation, retirement, or layoff and who has unused vacation leave to his credit, shall be paid in a lump sum for such unused vacation leave in lieu of granting such employee a vacation leave after his last day of active service with the City. Such payment shall be paid at the employee's hourly rate of pay at time of separation. Such payment shall not exceed the maximum accrual set forth in Subsection (D) of this Section 11. Such payment for employees who retire shall be permitted to exceed the maximum accrual in Subsection (D) of this Section 11 only to the extent that the employee's vacation leave account at the time of retirement exceeds the maximum accrual as a result of vacation time earned in the employee's last "vacation year" as that term is defined in Subsection (A) of this Section 11. Vacation balances over the maximum accrual of less than one (1) full hour shall not be paid.
- (4) When an employee dies while in paid status, any unused vacation leave to his credit shall be paid in a lump sum to the surviving spouse or, secondarily, to the estate of the deceased in the event there is no surviving spouse.
- (5) All vacation leaves shall be taken at such time or times at the discretion of and as may be approved by the Public Safety Director. Vacations should be scheduled as a normal procedure each year for not less than the vacation earned in the previous year, preferably at one time and considering the maximum vacation time which may be accumulated.
- (6) Vacation leaves may be taken in multiples of one (1) hour.

SECTION 12. INJURY LEAVE WITH PAY.

(A) Injury Leave with Pay. The injury leave program is a benefit intended to cover members injured on the job, which is separate and distinct from any Workers' Compensation benefits.

- (1) All employees shall be granted injury leave with pay not to exceed one hundred eighty (180) calendar days for each service-connected injury provided such injury is reported to the employee's immediate supervisor not more than three (3) days from the date such injury occurs.
- (2) Service-connected injuries are defined as injuries caused by the actual performance of the duties of the position. Injury leave shall be granted for all service-connected injuries. Cardiac disabilities shall be presumed to be service-connected injuries. Respiratory disabilities shall be considered on a case-by-case basis for determination of whether or not they are service-connected injuries. Injuries occurring off duty, except for cardiac and respiratory, shall be presumed to be non-service connected unless the employee can demonstrate that he was engaged in the actual performance of the duties of his position as an officer.
- (3) Pursuant to rules established by the City, time off for the purpose of medical examinations, including examinations by the Bureau of Workers' Compensation, and/or treatments resulting from an on-the-job injury shall be charged to injury leave.
- (4) If there is a recurrence of a previous service-connected injury, the employee may be granted injury leave with pay not to exceed the balance of one hundred eighty (180) calendar days provided such recurrence is reported to the employee's immediate supervisor not more than three (3) days from the date such recurrence occurs.

(B) Injury Leave Administration and Reporting.

- (1) A report of the cause of all injuries signed by the Chief of Police or Public Safety Director shall be submitted to the Director of Human Resources within two (2) days of the date the injury is reported by the employee on forms designated and furnished by the Director of Human Resources.

An employee shall submit copies of all additional medical documentation and supporting documentation which the member receives, related to the injury, as soon as practical to the Division of Police Employee Benefits Unit (EBU). Any delay in submitting

documentation may result in delay of the decision to grant injury leave.

- (2) The Director of Human Resources or designee has the responsibility to grant or deny (1) an employee's initial request for injury leave with pay; (2) an employee's request for injury leave upon a reoccurrence; and (3) an employee's request for additional injury leave as provided in Paragraph (E) of this Section. An employee on injury leave shall maintain contact with EBU during the period he is on injury leave. No injured employee on leave shall be returned to work without the written approval of an attending physician or the Chief of Police or Public Safety Director. If, in the judgment of the Director of Human Resources, the injury is such that the employee is capable of performing his regular duties or restricted duties during the period of convalescence, the Director of Human Resources shall so notify the employee and the Division of Police in writing and deny injury leave with pay. Whenever an employee is required to stop working because of an injury, he shall be paid for the remaining hours of that day, or shift, at his regular rate and such time shall not be charged to leave of any kind.
- (3) Any injured employee may appeal the decision of the Director of Human Resources, by written notice, to the Industrial Relations Board within ten (10) days of the date of the employee's actual receipt of written notification from the Director of Human Resources that injury leave has been denied. Insofar as possible, the hearing before the Industrial Relations Board shall be a record hearing, with all testimony recorded by a court reporter provided by, and paid for by, the City, or tape recorded, with the tape retained by the City for two (2) years. In the event that the employee appeals an adverse decision of the Industrial Relations Board, the City may transcribe any records of the hearing before the Board upon the request of the employee and provide a copy of such transcript to the employee. The Board of Industrial Relations, at the City's expense, may require an employee to be examined by a physician of the Board's choice.
- (4) Pending a decision by the Director of Human Resources, an injured employee may be carried on personal sick leave, vacation leave, or other personal sick leave, vacation leave, or other designated leave which shall be restored to his credit upon certification by the Director of Human Resources that injury leave has been approved. The Division is to notify the Director of Human Resources when an employee has been injured in a major incident in the line of duty, in which case the Director of Human

Resources is authorized to grant approval of injury leave immediately. If injury leave is not approved by the Director of Human Resources, the employee will be charged the designated leave initially used. In any instance of wage payment by both the City and the Ohio Bureau of Workers' Compensation for the same day or days, the employee shall promptly provide full reimbursement of the amount received from the City to the City.

- (5) The provisions of this Section 12 shall be administered by the Director of Human Resources and the Board of Industrial Relations who shall make necessary rules, devise forms, keep records, investigate cases, and make decisions on allowance of pay for time off duty as provided by this Section 12, subject to the provisions herein.
 - (6) When an employee's injury is to be considered by the Industrial Relations Board, the Director of Public Safety, or his designee, shall be notified by the Board.
- (C) Insurance Continuation. The City shall continue the insurance benefits for an employee who is on approved injury leave or is receiving payments in lieu of wages from the Ohio Bureau of Workers' Compensation or who has exhausted approved injury leave granted pursuant to this Section 12, until that employee can return to paid status, resigns, retires, or is terminated.
- (D) Additional Injury Leave. If an employee is unable to return to regular duty after exhausting his available injury leave due to a serious medical condition or complication relating to the injury, the employee may apply for up to one hundred eighty (180) calendar days of additional injury leave and this application shall be considered on a case-by-case basis by the City. This additional injury leave shall be granted if supported by appropriate medical documentation of the serious medical condition or complication and the employee, during the period of initial injury leave, has followed prescribed medical treatment.

- (C) Payment Upon Separation or Death. An employee who is to be separated from the City service through discharge, resignation, retirement, or layoff, may, if he so desires, be paid in a lump sum (less applicable withholding and any amounts owed by the employee to the City) one (1) hour of pay for each six (6) hours of unused sick leave to his credit for total accruals up to and including 1,000 hours; one hour of pay for each three (3) hours of unused sick leave to his credit for all accruals in excess of 1,000 hours up to and including 2,000 hours; and one (1) hour of pay for each hour for all accruals in excess of 2,000 hours.
