

Tiffany M. White

What I have done:

I have lived in the St. Mary's area all of my life. I am a graduate of St. Francis DeSales High School. I am a mother of two children Fallon and Seth. I am finalizing my Bachelor degree in Criminology with an emphasis on Political Science, and I plan to attend Capital Law School in the near future.

Why I want to be a Commissioner:

I have seen many changes to the community, and am aware of the concerns. I feel that I need to be a voice for my neighbors, some whom are unable to attend meetings. I feel that my communication skills will be an asset to the position as I can successfully return information back to the neighbors on what is going to affect them directly and things not so directly. I believe that I can make an impact not only on our community but also on other communities as well.
