CITY OF COLUMBUS - SOLE SOURCE INFORMATION FORM

TO ACCOMPANY LEGISLATION WHICH WAIVES
ANY PROVISIONS OF COLUMBUS CITY CODE CHAPTER 329.
(LIMIT YOUR RESPONSE TO THIS SHEET)

1. **Verification of sole source: (Why no other individual or business entity is capable of supplying the needed item/service.)**

    ☐   Sole source manufacturer/distributor.

    ☐   Sole distributor authorized for this territory.

    ☐   Patented product purchased for owner/developer.

    ☒   Sole company offering this unique service.

    ☐   Other:

2. **Describe any effort to bid for alternate item (service or product) that is not provided by a sole source that would meet this need:**

    Since the FCMC Clerk of Court now has on staff an Interaction Center Certified Engineer, we are presently positioned to bypass the necessity to contract with a third party reseller for CIC phone support and maintenance.   This can be achieved by contracting directly with the developer of our current CIC phone system, Interactive Intelligence Group, Inc. By doing so our office will be situated to offset the cost of any necessary CIC system module upgrades by performing them in-house rather than through a reseller. As Interactive Intelligence, Inc. is the proprietary source for our CIC phone system, this can only be achieved by contracting directly with them for support and maintenance. As such this legislation is being established in accordance with the sole source provisions of the Columbus City Code, Chapter 329.

3. **Describe efforts to determine/verify that the company is the sole source:**

    N/A

4. **Indicate how the price or fee structure was determined:**

    N/A
